4. Permitted use and admission policy

Admission to the MUSA is open to all groups and individuals in the ways set out above.

Visitors may only access the areas used for the MUSA, the shop, and the Sala Fondatori (Founders' Room), located on Via E. Zanasi. The maximum number of visitors in a tour group is 15. Tours can be organised for larger groups by staggering the times at which they enter the various areas of the museum.

Visiting groups of children or school classes must be under the guidance of an accompanying adult, who is responsible for ensuring they comply with the rules contained in these regulations and behave appropriately. The school will be required to read these regulations, focusing in particular on section 5, and to inform the teachers and accompanying adults of the contents prior to the visit.

In the event of groups of children visiting the MUSA, the ratio of children to accompanying adults must comply with the provisions of regional laws regarding the accompanying of children.

5. Conditions concerning safety

Visitors are required to comply with the rules established by Villani S.p.A. concerning safety and appropriate behaviour.

Visitors must not:

- go past the protection barriers;
- lean on the windows, machine beds, and other parts of the furnishings and equipment;
- write on or dirty the walls;
- run along the exhibition trail;
- smoke, eat, or drink in the museum, except in the specially designated areas;
- touch the items on display;
- damage or tamper with, in any way, the items and equipment on display or the external area, as required by applicable regulations in force.

No pets allowed

Children are required to comply with these regulations and accompanying adults are therefore required to supervise and oversee them.

Visitors must not bring any of the following onto the museum's premises:

- weapons and ammunition;
- explosive, flammable, or volatile substances;

- dangerous, excessively heavy, or bulky objects;
- animals;
- any kind of alcohol.

There is a strict no smoking policy inside all the rooms in the MUSA, with the exception of the specifically designated areas.

Visitors must not behave in any way which could put the safety of people and property at risk. Visitors are asked to immediately report any accident, incident or unusual event to a member of staff on duty.

In the event of a fire, visitors should keep calm. If you are ordered to evacuate the building, proceed in a calm, orderly fashion, following the instructions given by Villani S.p.A. staff.
